

WEBOOST PRODUCTS SUPPORT THE LATEST IN 5G TECHNOLOGY.

## RAISE THE BAR ON YOUR CELL SIGNAL AT HOME.

With its impressive power, the Home Complete delivers reliable cellular connectivity.

The weBoost **Home Complete** is for those who know the best way to get something done right is to do it yourself. Here's why:

- The best-in-class booster in its price range.
- Everything needed for installation in your home is included in this kit.
- Boosts network speeds to provide reliable cellular connectivity indoors for multiple users and devices; resulting in fewer dropped calls, uninterrupted texts, better voice quality, improved hotspot capability, faster internet speeds, better streaming, and more.
- Works with every network and all U.S. carriers; including Verizon, AT&T, T-Mobile, UScellular, and more.
- Works on all phones and cellular-connected devices.
- Meets all FCC guidelines and won't interrupt or harm any cell carriers' signals to and from the cell tower.
- Backed by a 2-year manufacturer's warranty and a 30-day money-back guarantee.

HOME COMPLETE

470145

### Key Features

With up to 72 dBm max gain, the Home Complete effectively boosts cell signal for multiple users and devices in your home.

All components needed for do-it-yourself installation are included, from antennas to cables to mounting hardware.

A set of brackets with 3M Command™ strips allow for an easy and neat wall-mounted installation of the booster and inside panel antenna.

With its sleek, anodized and powder-coated aluminum booster and stylish, fabric-covered inside panel antenna, the Home Complete fits in with contemporary home décor.
